

BIEDERMEIER CENTER TABLES ST523

Uniquely designed German Biedermeier center table with 3 "C" volutes carrying the hexagonal plinth with corresponding pedestal over the tri-partite base. Walnut veneered on pine in bookmatch pattern. Table top inlaid with a center panel creating a motif of a flower in bloom. Circa 1825, South Germany.

30 1/2" h, 46" diameter

Reference: for a comparable design see figure 554, prof. Rainer Haaff "Das Sueddeutsche Biedermeier" (The South German Biedermeier), Westheim/Germany, 1991.
