

BIEDERMEIER ARMOIRES & VITRINES V252

A rare pair of architectural designed vitrines. Ebonized pearwood veneered on pine. Each with a panelled and glazed door flanked by half-columns over socle with hidden drawer and supporting the architrave-top with a fake drawer. Original bronze ormolu mounts (winged females with flutes, rosettes, palmettes). Original keyplates, locks, Jacobs ladder and shelves. Lining replaced. Dropfeet. Vienna, before 1825.
68" h, 32 1/2/34" w, 14 1/4/17" d.
