

OTHER PERIODS SC400

Four Moorish influenced Spanish post chairs in solid walnut with indent carvings on front posts, shoulder boards and stretchers. Retaining their original, untouched condition with a beautiful patina. Wax finish. Cane seats, of course replaced during 300 - 400 years. Clues suggest a larger set existed. 16th/17th Century. From a monastery in Baleares, Spain.
appx. 17 1/2"/35" h, appx. 16 1/2" w, appx. 14 1/2" d
